This guide is a listing of standard employee risk rates for the Small Business plans offered by UnitedHealthcare and its affiliates. Your final risk-adjusted rates are contingent upon receipt of all relevant medical information pertaining to your Small Business. For more information, please call your sales representative. Every effort has been made to ensure accuracy in information printed in this book; however, UnitedHealthcare and its affiliates cannot guarantee that there are no errors.

In the event of termination by either UnitedHealthcare Insurance Company or UnitedHealthcare of California (except in the case of fraud or deception in the use of services or facilities, or knowingly permitting such fraud or deception by another) or Group, we will, within thirty (30) days, based on the terms of the Group® contract, return to Group the pro-rata portion of money paid to either company which corresponds to any unexpired period for which payment has been received, together with amounts due on claims, if any, less any amounts due to the company.
