## PacifiCare SignatureValue<sup>®</sup> Advantage

At UnitedHealthcare, our overarching mission is to help people live healthier lives. A big part of this mission is providing our members with the information and resources they need to make educated decisions about their health and their health care: Better information, better decisions, better health.

We built this PacifiCare SignatureValue Advantage plan around those principles. We created a special network of physicians and facilities, all selected for their abilities to keep health care costs down while delivering quality care that meets national standards. This select medical group network has nearly 19,000 contracted physicians and specialists evaluated on many cost and quality factors, including 11 measurements, such as provider scores on preventive health screenings, childhood immunizations and member satisfaction.

Members enrolled in a PacifiCare SignatureValue Advantage plan select a Primary Care Physician (PCP) to manage their general health care needs and obtain a referral to see a specialist. And PacifiCare plan members have access to health and wellness programs, such as PacifiCare Perks<sup>®</sup> and more.

PacifiCare SignatureValue Advantage plan participating medical groups are located in Kern, Los Angeles, Orange, Riverside, San Bernardino, San Diego, San Francisco, Santa Barbara, Santa Clara, and Ventura counties.
