

The advantage is clear **PacifiCare SignatureValue® Advantage**

UnitedHealthcare's PacifiCare SignatureValue® Advantage plan offers the same level of coverage as a traditional PacifiCare HMO plan at a lower premium. The difference is in the network. The PacifiCare SignatureValue Advantage plan offers a select network of contracted providers.

This select medical group network has nearly 18,000 contracted physicians and specialists evaluated on many cost and quality factors, including 11 measurements, such as provider scores on preventive health screenings, childhood immunizations and member satisfaction.

Members enrolled in a PacifiCare SignatureValue Advantage plan select a Primary Care Physician (PCP) to manage their general health care needs and obtain a referral to see a specialist. And PacifiCare plan members have access to health and wellness programs, such as PacifiCare Perks® and more.

PacifiCare SignatureValue Advantage plan participating medical groups are located in Kern, Los Angeles, Orange, Riverside, San Bernardino, San Diego, San Francisco, Santa Barbara, Santa Clara, and Ventura counties.
